

LESSON PLAN

Living Archives

Possible Subjects:

Art Class, Music Class, English Class, History Class

Activities:

- Write a short story that illustrates how the pandemic impacted you, your family, and your community.
- Create a song or poem about what you felt and experienced during Covid and how you overcame any challenges or struggles.
- Create a piece of art or take a picture to illustrate how Covid impacted you.
- Complete a hand map activity with students. Instructions on separate document.

Objectives:

Students will have an opportunity to process and express what their experience with Covid and how it impacted themselves, their family, and their community.

Students can submit their work for community service credits!
